

GD113H

**Enclosure,gamma,surface mounting,13Modules,version Ireland**

**Technical Features**

**Installation, mounting**

Mounting on	Surface mounting
-------------	------------------

**Electric current**

Rated current	63 A
---------------	------

**Equipment**

Number of rails	1
Number of rows	1
Number of section in width	1
With lock	No
Has neutral terminal block	Yes

**Capacity**

Number of modules	13
-------------------	----

**Functions**

With conduit inlets	Yes
---------------------	-----

**Dimensions**

Height	250 mm
Width	250 mm
Depth	103 mm

**Cover, door**

Number of cabinet doors	0
Number of locks	0

**Dimensions**

Number of width units	13
-----------------------	----

**Cover, door**

Door/cover is transparent	No
---------------------------	----

**Materials**

Material	Plastic
RAL code	9010
Colour	Pure white

**Equipment**

Has earthing terminal block	Yes
Has mounting plate	Yes

**Safety**

Impact resistance IK	IK05
Ingress Protection (IP) class	IP30
Locking type	Without lock
Protection class with door	IP40

**Sustainability**

REACH-SVHC free	Yes
RoHS conform	Yes
